Jim and Eric,

It looks like we will be making the move on Thursday. Jim if you would like me to call OIT to let them know we need to move the phone move date I can do that. Also I am working to get Helen, Marija and Suzanne keys so they do not need to see you for access. Eric are you alright with Thursday?

Stephen

Hi,

It looks like barring any unforeseen circumstances, the Immunization Program will move from the 4<sup>th</sup> floor to the 2<sup>nd</sup> floor on Thursday the 13<sup>th</sup>. Suzanne is unable to be present for the move and will have a few boxes moved on her behalf. We are working on getting clarity around Chris' furniture and where it will be going; I'll let you know what I hear.

Thank you all for your patience during the process.

Best regards,  
Beth

Beth,

Thanks for getting back to me so quickly. I just called Sitterly Movers, the company we have a contract with. Their crews have a full schedule Wednesday. Thursday they have ample people to support the move. Does that work for your staff? Jim has arranged for the phones so please let me know if Thursday works. I can move them easily enough forward one day.

Thanks,

Stephen

Hi Stephen,

January 12 would be our preferred move date. Can you confirm that this date will work for you?

Thanks,

Beth
